

EARTH DAY & FREEDOM DAY // EDENVALE HIGH SCHOOL COMMUNITY SERVICE – 27 APRIL 2024

35 Edenvale High School learners volunteered for an “Earth Day” & “Freedom Day” clean up at Horwoods Farm, on Saturday 27 April. They were joined in their efforts by Essentially Edenvale, the Edenvale CPF, SAPS, Mamba Security, Shine Learning Centre, New Day Church members and a troupe of Cub Scouts, for this special day which was spent in service of the community.

EHS learners creatively painted a building near the children’s playground with positive images and messages; they created a kindness rock garden, landscaped flower beds, picked up litter and cleared overgrown plants.

It was heartwarming to witness the coming together of different sectors of the Edenvale community – all with the intention of beautifying this public park –home to a Heritage Site building, which is currently under refurbishment.
