ISSUE NO. 15

EDITORIAL

As another busy term draws to a close, I reflect on all the happenings of the term, which started with a successful and exciting Grade 11 leadership camp, culminating in the selection of the 2019/2020 prefects. Well done to all Grade 11s involved in the entire process – one that, unfortunately, led to disappointment for some, but joy for others. To those who were not successful: I hope that by now you have overcome your sadness and value the opportunity and experience that you were able to undergo.

A successful and enjoyable Major Production “The Greatest Showman” was staged - what incredible talent we have – followed by house plays and Mr and Miss EHS. So much happened in a short space of time! On the sporting side, soccer and athletics took place: the U15 soccer girls have proved to be a force to be reckoned with, having won all their games this season, and will advance to league play offs. The boys’ teams have had rather a tough season, not quite achieving the results that they would have liked. The athletes trained hard and have been promoted to the A league for next year. Well done! At the Prestige athletics meeting we achieved one gold, three silver and one bronze medal for individual races, and two gold and three silver medals for the relay teams - a great achievement. Continuing from the second term, the U15 Hockey girls’ team had an exceptional season. Having won their league, they progressed to the Noordvaal tournament held this term., one that included the top schools from four provinces. At this event, the girls obtained a silver medal. We are exceptionally proud of you all.

I think you can agree that another successful term was had; however, we need to remember that achievement does not come without effort and dedication. As we head into the fourth term, where the main focus must be the final examinations, I urge all learners to be committed to their studies. Remember that these end-of-year examinations can be the deciding factor as to whether you pass or fail the year.

To the Matrics: your time at Edenvale High School is almost up. You will enjoy your Matric farewell soon, and early next term you will attend the Valedictory assembly – your final assembly. Enjoy both these events, as they are never to be repeated occasions. However, do not lose sight of the fact that the final examinations still have to be written, and we wish you well in your preparations. Remember that the name of the school depends on your results. Work hard and do us proud!

“Discipline equals success.”

Enjoy the short rest.
