

EDENVALE HIGH SCHOOL

FROM GOOD TO GREAT

Issue No. 16 ~ 10 December 2025

NEWSLETTER

Clever minds, endless possibilities

2025's Magazine showcases our school's commitment to academic excellence, leadership development, learner achievement and reflecting the values and spirit of our school community.

Without our dedicated staff's commitment it would not have been possible, both in and out of the classroom.

Our SGB played a significant role in guiding and supporting the Edenvale family.

Parents, your school fees contributed to our school operations and provided a better learning environment for learners, educators and coaches.

We are well prepared for 2026 with a focus on departmental challenges and a learner-centred approach.

To our learners, may your 2025 results reflect your hard work and dedication.

Enjoy a well deserved break. Make family time a priority, and discover the true meaning of Christmas again.

God Bless

Mr. M van Zyl

Arrangements for 2026

- **Wednesday 14 January:** pupils to be at school 07h45. Register class lists will be posted onto the communicator on 13 January, to indicate your child's register class and venue.
- Times for 2026: Term 1 School will close at 14:00 on Monday, Tuesday, Wednesday and Friday and at 13:20 on Thursday.
- **Mathematics / Mathematical Literacy test** for Grade 10 – 12 and **Afrikaans Test** for Grade 8, 9 will be written on 23 January 2026. This is compulsory for all learners. Learners that are absent must produce a doctor's note, otherwise they will receive zero.
- Block-testing period will be from 19 February – 27 February.
- All learners will write a **Mathematics / Mathematical Literacy assessment** on 27 March 2026. This is compulsory for all learners. Learners that are absent must produce a doctor's note, otherwise they will receive zero.
- Please take note that it is the school's practice to schedule a Formal Assessment Task on the last day of **every** term. Please do not make arrangements for an early departure for your holiday. This will not be accepted as a valid reason to miss the assessment and your child will be awarded zero, thus compromising his/her School-Based Assessment mark.
- Please note that all parents need to download the d6 communicator. This is the school's means of contact for all information. Note that the office will not print exam timetables and absentee note templates for learners.
- Please note, if you are needing to correct any information pertaining to change of address, contact number or email address, please send this information to Mrs Enell; jenell@edenvalehigh.co.za. The school works from one main central database. Any updates done to details linked to your d6 does not carry through to SMART. The school must be contacted directly.
- Parents may not drop off lunch, projects, items left at home at the front office. The admin staff are unable to collect and distribute these for learners. Learners must take responsibility for any item left at home.
- If a learner is feeling ill, they must see the Senior Tutor of the Grade before contacting his or her parents – a detention will be given if this process is not followed.
- No learner is allowed to have a cell phone in their possession during school hours. If seen, the phone will be removed and will have to be collected by a parent.

Learners that received demerits for uniform defaults:

- Learners that received demerits for uniform defaults during the exam period in 2025 will have a detention on Friday 16 January from 14:00 – 15:00.
- Should a learner have amassed more than 15 demerits for uniform defaults, or not attend the detention on 16 January, the demerit points will count towards their record.
