

EDENVALE HIGH SCHOOL

FROM GOOD TO GREAT

Issue No. 2 ~ 9 February 2024

NEWSLETTER

Another year. Another grade. Different people in your class. New teachers. More opportunities. More work... I can carry on like this. Every year is different, but some things are always the same. There will always be homework, SBA tasks, tests and then the RESULTS.

This year is different from last year, but in a way it remains the same. We still have to complete everything on time. I know many of us are feeling overwhelmed by all the things that need to be done. We have to try and cope. This is the reason why I want to ask you not to become negative and give up. There is always a way forward.

Learners, if you don't understand the work: go and ask your teachers for help. Don't wait until it is too late. The school offers so many extra lessons; I want to ask every learner to make use of this opportunity to help understand your work. Please attend these lessons now, before the Block tests begin. Try your best in ALL SBA tasks and get the good marks you are capable of. The teachers are giving extra lessons especially to help you.

- ⇒ In General: Please make an effort to pass and to get good marks.
- ⇒ To the learners: Good luck for this year and please do your work to the best of your ability.
- ⇒ To the parents: Please help our learners and let them attend extra lessons.
- ⇒ To the teachers: Good luck with ALL the work. We are all in the same position.

Let's do the best we can.

Mrs S. Bezuidenhout
