

# EDENVALE HIGH SCHOOL

FROM GOOD TO GREAT

Issue No. 10 ~ 23 June 2023

The second term has been an exceptionally busy one for all our staff and learners. Not only have we seen some significant successes on the sports field and in the cultural sphere, but I'm sure there are learners out there who have achieved their own personal goals as well.

What has been gratifying to see is that all our learners who have made a commitment to their sport, cultural activity or academics will definitely be achieving their goals. Colours Assembly will be early next term but you do not need to receive an award from the school to be able to achieve your goal; maybe your aim was to score two goals in a match this term.

Whatever your objective, no matter how small it might appear to be - well done if that goal was achieved!

**"There's a difference between INTEREST and COMMITMENT.**

**When you're interested in doing something, you do it only when it's convenient. When you're committed to something, you accept no excuses, only results."**

**Kenneth Blanchard**

Today there is a lot of pressure on us to succeed and be excellent in all that we do. We need to keep in mind that while striving for this excellence, we should never forget who we are and why we want to achieve our goals. It is important to challenge ourselves, and on this journey we need to learn from our mistakes and experiences, as well as from those around us.

We have many learners in our school who strive for excellence on a daily basis; what a privilege for us, as educators and parents, to witness them grow as individuals and achieve the goals which they set for themselves. Our Grade 8 and 9 learners have received their Term 2 exams back – hopefully, many goals that were set have been achieved.

All the best to our hockey players who are representing our school at provincial level during the winter holiday. To our learners going on the cultural tour to Grahamstown, stay safe and enjoy!

I hope that everyone has a well-deserved rest during these holidays and returns safely in Term 3.

Mrs Lunt

Deputy Principal
